

EMPOWER TO EMPLOY

MONTHLY WORKSHOP SERIES

A monthly workshop series designed to prepare and connect groups of adult job seekers with competitive employment. Sprinkled into the workshops will be group activities, thought provoking videos, and a few homework assignments.

All classes are held on Tuesdays & Thursdays
The first class meets on the 1st Tuesday of every month
12:30pm -3:00pm

GOALS

1. Identify needs and barriers of job seekers
2. Connect with resources, support and options for health and wellness
3. Provide tools and technology to enhance resumes and cover letters
4. Enhance presentation & interview skills
5. Train on how to use technology for job (re)search
6. Stress importance of financial independence, empowerment and literacy
7. Connect with employers and other providers
